Block breaker deluxe 2004

Not an American user? Block Breaker Deluxe is a breakout variant with lots of bells and whistles. A paddle-and-brick game dubbed Block Breaker has become a cult phenomenon in the future. The Daily Goose! Hush! a fabulous tournament is announced, but the entrance fee itself is \$1,000,000. You have to travel to various bars, clubs and restaurants to raise money and build a reputation. When one location is completed, a new one opens on the city map. Each site consists of different levels with increasing difficulty. In the final level, you must defeat the end of the boss or complete a tricky challenge. There are many different types of bricks, and while some are broken, power-ups fall off and provide abilities such as a larger pad, multiball, gigaball, ultraball, laser, shield, yo-yo ball, speedball or magnet. One brick in each level holds a gift for the owner. You have to swing each of the club owners by collecting gifts to their particular tastes. When you collect all your gifts in one place, you get one word of password from the club owner to gain entry to the highly exclusive Block Breaker tournament. Missing gifts can be purchased at Blockbreaker Emporium.Each level has a time limit and additional challenges are offered. You will receive additional cash if you manage not to lose lives or collect a specified amount of cash. May, 2008NA: June 16, 2008EU: June 20, 2008DSNA: June 24, 2008Genre(s)Breakout cloneMode(s) Single-player, multiplayer Block Breaker Deluxe is a video game developed by Gameloft Romania for mobile phones. It has also been released for iPod, Windows PC, N-Gage platform, Nintendo DS as part of midnight play pack collection, and Wii as wiware game. Gameloft claims to be the best selling arcade game on mobile platforms, with more than 8 million copies sold. [1] The sequel, Block Breaker Deluxe 2, was later released The third game, Block Breaker 3: Unlimited was also released, in 2012. It is a breakout clone with a city nightclub or casino themed setting[2][3] with the aim of the game is for the player to break as many blocks as possible without causing the ball to fall. As they progress at different levels, power-ups are available to help them. The player will proceed through a map that shows different locations that contain a set of levels. Each set has 10 levels with boss battles at the end. Initially, only one location that is available at the beginning and another can be unlocked by completing sets of levels sequentially. Each place has its own character, who acts as a teacher in the game, giving tips and tricks during the game. Optionally, the player can purchase an unlockable location that offers endless, randomly generated levels. Each level contains a special gift power-up, which can be used to gain a reputation at a certain point. There are seven different sites, with one of them being a special randomly generated level. The sequel game had several different versions that were only on mobile: Block Breaker Deluxe, which is the standard version and called Block Breaker Midnight Challenge Deluxe on PC, Block Breaker Valentine, which is themed around Valentine's Day, Block Breaker Christmas, which is themed around Christmas, and Block Breaker Holidays, which is similar to Block Breaker Christmas, except that it has only 3 levels and when you finish it tells you to get Block Breaker Deluxe. It also got 2 sequels: Block Breaker 2 Live Deluxe, which is sometimes just called Block Breaker 2 Deluxe, and Block Breaker 3 Unlimited, which is called Block Breaker 3 Free+ on the iPhone. External links Gameloft Block Breaker Deluxe WiWare site Obtained from Description: Palm Ocean, a city known for its wild nightlife, eccentric billionaire organizes block breaker competition for the 10 best players on the planet. As a famous master of fencing on the wall, you naturally die of the longing to participate. There's only 1 small problem: a super-rich organizer has set the entry fee at \$1 million and you only have \$100 in your pocket. The only solution is to hit the city's game halls and take on challenges toppled by characters from the night scene to increase your funds. But it will not be easy, and the competition will be fierce to be among the selected players. Prepare for increasingly difficult challenges and harsh encounters in this city entrenched in the 1980s full of hip figures. Make the most of it to get maximum cash and memorable prices... and don't forget to offer gifts for the key characters of the city: they will open some useful doors for you! The features and screenshots of the game may vary depending on your phone model. Phone.
